Terms & Conditions

SPECIFIC CLARIFICATIONS

The intent of these clauses is to amplify the provisions in the tender documents, summarise the agreed clarifications, qualifications and assumptions stated in the tender submissions and discussed during the meetings.

The specific clarifications made here under should be read with the respective conditions of the contract. The balance provisions of the respective clauses shall continue to remain in force.

Company Name	PROVIDENT HOUSING LIMITED		
WO Number	4540013657	WO Version	3
WO Date	12-Jul-2024	Version Date	28-Jan-2026

1. GCC - Appendix to tender 8.1: Commencement date: 'Commencement date for the Project' shall be the date of LOI.

2. GCC - Appendix to tender 1.1.3.3, 1.1.5.6, 8.2: Time for Construction:

Phase 1 comprising of 7 Towers, Club House, MLCP, External works & other associated works
"Completion date / duration for Phase 1" shall be within 28 months from the 'Commencement date of the Project' which is date of LOI.

Phase 2 comprising of 2 Towers & other associated works

Phase 2 works shall initiate from the date specified in the 'Notice to Proceed for Phase 2 works' issued by the Client.

"Completion date / duration for Phase2" shall be within 36 months from the 'Commencement date of the Project' which is date of LOI.

Overall project duration (For both phase 1 & phase 2) shall be within 36 months from the 'Commencement date of the Project' which is date of LOI.

3. GCC - Appendix to tender - Clause 3.5: Determination of Cost, if any, due to extension of Time for Completion / Price Validity:

a. Phase 1 – Price validity for Phase 1 is 'Phase 1 duration' plus 8 months i.e., 28 Months + 8 Months.

b. Phase 2 – Price validity for Phase 2 is 'duration for Phase 2' plus 6 months i.e., 36 Months + 6 Months.

4. GCC - Appendix to tender - Clause 14.2: Advance Payment – Total advance payment & applicable currency(s)

Recoverable interest free mobilization advance equivalent to 5 % of the accepted Contract Amount (excluding Performance Incentive / Milestone Completion Payment) of the respective phase (including GST) against submission of request for release of mobilization advance from the Contractor, as per the following:

Phase 1 – 5 % of Phase 1 value (Single instalment, Including GST, excluding Performance Incentive / Milestone Completion Payment) against LOI and submission of request for release of mobilization advance from the Contractor.

Phase 2 – 5 % of Phase 2 value (Single instalment, Including GST, excluding Performance Incentive / Milestone Completion Payment) against the Client's intimation for commencement of Phase 2 works and submission of request for release of mobilization advance from the Contractor.

Recovery of Advance: a) deductions shall commence in the immediate next Certificate of Payment (i.e., RA Bill 01) for the respective Phase, and

(b) shall be effected such that the entire advance for the respective Phase shall be recovered on or before Eighty (80%) per cent of the Accepted Contract Amount (excluding Performance Incentive / Milestone Completion Payment) for the respective Phase gets executed (excluding the advance payment and deductions and repayments of retention) in the currencies and proportions of the advance payment.

5. Performance Incentive / Milestone Completion payment: The Client shall pay the Contractor total amount of Rs. 12,00,00,000/- (Indian Rupees Twelve Crores Only) as performance incentive / milestone completion payment for Phase 1 & Phase 2 in below mentioned stages,

a. Payment of Rs. 77,77,777.60 for each tower shall be paid on completion of the respective tower terrace slab structure (including de-shuttering & necessary housekeeping), total of 9 towers amounts to Rs. 6,99,99,998.40

b. Payment of Rs. 55,55,555.73 for each tower shall be paid on completion of the respective tower Flooring,

Company Name	PROVIDENT HOUSING LIMITED		
WO Number	4540013657	WO Version	3
WO Date	12-Jul-2024	Version Date	28-Jan-2026

Internal Painting & Joinery Works (including necessary housekeeping & de-snagging), total of 9 towers amounts to Rs. 5,00,00,001.60

6. GCC-Appendix to tender - Clause 4.2: Performance Security: Not applicable.

7. GCC-Appendix to tender-Clause 14.9: Retention money: 2.5% of each RA bill amount (excl GST) shall be in the form of cash retention. Cash retention shall be released after issue of Performance Certificate i.e., upon completion of DLP. Retention money shall not bear any interest.

8. GCC - Appendix to tender - Clause 1.1.3.7 Defects Liability Period:
24 months from the date of the Taking Over Certificate issued by the Client for the respective phases.

9. GCC - Appendix to tender - Clause 1.1.4.17, 14.5: Advance Payment: Secured advance against procurement of new formwork materials, new P & M assets shall be paid for the 100% of the approved purchase cost (Including GST) subject to maximum of 7% of the contract amount (Excluding GST), payment shall be made against proforma invoice of the supplier.

Recovery of secured advance shall be made on prorata basis & to ensure 100% recovery on or before completion of Phase 1 structure works.

10. Appendix to tender 14.7 C Period for Client to make Payment: Period for Interim payment certificate from the Engineer and the Client to make payments from receipt of RA bill from the Contractor:

a. 75% of RA Bill certified value (Excluding GST) shall be paid as adhoc, payment shall be made within 7 working days from the date of bill certification. The client shall certify the bill for adhoc payment within 3 days from the date of bill submission by the Contractor in complete form along with all the relevant details and documents.

b. Balance 25% of the RA Bill value (Including GST) shall be paid within 20 working days from the date of bill certification.

11. Site Handing over: Site shall be handed over to contractor for construction in parts / Tower wise as per the agreed schedule.

12. GCC-Clause 14.19 Electricity and Water:

a. Electricity / Power: The cost of connection, infrastructure and consumption of power shall be deemed to be included in the Contract Price. However, solely based on the Client's discretion, Power shall be provided by the client at one location & charges to be paid by the Contractor directly to BESCOM, the Contractor shall augment the power requirement from the BESCOM to suit the project requirement. However, to provide backup DG/s is the responsibility of the Contractor.

b. Water: The consumption of water including tankers from outside is part of the Contract Price. The Contractor shall make his own necessary arrangement for water supply.

c. The Contractor shall provide the Power & Water to the other Contractors / agencies engaged by the Client, at single point on chargeable basis, based on the BESCOM charges including associated cost Viz., BESCOM deposit charges.

d. In the absence of BESCOM power supply or supply disruptions from BESCOM, the Contractor shall supply the DG power to the other Contractors / agencies engaged by the Client and the cost of the DG power shall be actual production cost + 15%.

13. GCC-Clause 18.2 Insurance for Works (Contractor's All Risk Insurance Policy): Insuring party shall be Client, the premium shall be recovered from the Contractor from Interim payments on prorated basis of the insurance premium with respect to the contract price, at intervals of the premiums as per the insuring agency.

Company Name	PROVIDENT HOUSING LIMITED		
WO Number	4540013657	WO Version	3
WO Date	12-Jul-2024	Version Date	28-Jan-2026

14. GCC-Clause 18.3 Insurance against Injury to Persons and Damage to Property (Third Party Liability): Insuring party shall be Client, the premium shall be recovered from the Contractor from Interim payments on prorated basis of the insurance premium with respect to the contract price, at intervals of the premiums as per the insuring agency.

15. Statutory Compliances: The Contractor shall fulfill all the labour and other statutory compliances which includes but not limited to construction laws, provident fund rules, BOCW, workmen compensation policy, ESI, occupational health & safety regulations and any other required insurances and regulations/ law controlling construction industry during the tenure of above defined contractual period.

The contractor shall pay and maintain the documents pertaining to Labour regulation, PF, ESIC, BOCW, Workmen compensation policy (WCP), all required Licenses as per requirement of Govt., State Welfare Associates fund, Child Labour act, any local statutory requirement and other statutory requirements as required by Developer.

16. Security & Storage at site: For storage, empty space will be provided by the Client. Contractor shall be liable for Security, storage and safe custody of Materials/Goods/Items including the Client issued materials/ Goods/Items. Debris generated by the Contractor during the execution of works i.e., packing, unpacking, and stacking shall be cleared by the Contractor at his own cost.

17. GCC 13.9 Adjustments for Changes in Cost for Basic rate materials & Appendix to Tender: Clause is attached "Annexure 4-Basic rate of materials & its adjustment" and shall be applicable for Phase 1 & 2 respectively.

18. GCC – 4.8 Safety Procedures: EHS Manual: All the standard norms of safety at construction site shall be strictly followed by the Contractor during the tenure of the Contract as per the Contractor's safety plan and shall comply with the safety audit of the Client. The Client shall issue Non -Compliance Report (NCR) for any violation found during the execution of the project with suitable time to rectify the same. However, safety penalty is not applicable.

19. Client's office: The Contractor shall provide the Client, site office of approximately 1500 Sft fully functional, with furnishings including but not limited to air conditioning, furnitures at their own cost. office operating expenses like pantry and housekeeping will be in the Contractor's scope. The said site office shall be removed by the Contractor after completion of works including dismantling, carting away, housekeeping, etc.,

If the site office is required to relocate during the construction phase as and when required, the contractor shall organize such relocation/s at their own expense.

20. Facilities for Client's Personnel: The Contractor shall provide Personnel Protective Equipment (PPE) example but not limiting to Safety shoes, Safety jackets, Safety helmets, etc., for the Client's personnel and visitors.

13. Volume I- GCC: The Contractor to provide logistic plan. Space for the Contractor's site office, store, workshops, stack yard, steel fabrication yard, batching plant etc shall be provided near/around the project site based on the availability and on the Contractors logistic plan & requirements, which to be availed prior written approval from ENGINEER. Entire cost of construction, finishing, fitouts and it's maintenances are in the Contractor's scope.

The Contractor's site office, store, workshops, stack yard, steel fabrication yard, batching plant etc shall be removed by the Contractor after completion of works including dismantling, carting away, housekeeping, etc.

14. Escalation, Volume I- GCC, Adjustment for changes in cost,
Volume I - GCC, Adjustment for changes in cost (for basic rate material): As per Tender

15. Price Validity: Phase 1 - Price validity for Phase 1 is 'Phase 1 duration' plus 8 months i.e., 28 Months + 8 Months.

Phase 2 - Price validity for Phase 2 is 'duration for Phase 2' plus 6 months i.e., 36 Months + 6 Months.

16. Labour Cess shall be borne by the Client, as per Tender.

17. Site Handingover to Contractor: Site shall be handed over to contractor for construction in parts / Towerwise.

ADDITIONAL TERMS & CONDITIONS:

1) Project timelines are stringent, and the Contractor shall strictly adhere to the timelines.

2) List of Staff allocated by the Contractor for Provident Botanico along with their Profile to be shared by the Contractor for the written approval of the Client. The Contractor shall deploy key staff with prior written approval of the Client.

3) The Client and the Contractor shall jointly finalise all procurement & Contract requirements for major packages of the Contractor for this project. The Contractor has to obtain written approval/s for procurement of Formwork materials & P&M materials (Excluding labour / PRW requirements).

4) CBRE or any other firm appointed by HDFC or any other investor / banker of the Client shall act as 'external consultant' for this project, the Contractor has to coordinate & cooperate with the 'external consultant' for verification of bills submitted by them and further details about project progress.

The Contractor has to provide all such information, details required by the 'external consultant'. And such information, details shall be either provided through the Client or to be given directly to the 'external consultant' with the permission of the Client.

5) The Contractor has to source, propose new Suppliers, Subcontractors, labour contractors, etc., for this project in order to avoid any adverse effects of the Contractor's other projects cashflow, pending payment issues.

6) Payments from the Client:

a. Adhoc - 75% of RA Bill certified value (Excluding GST) shall be paid as adhoc, payment shall be made within 7 working days from the date of bill certification. The client shall certify the bill for adhoc payment within 3 days from the date of bill submission by the Contractor in complete form along with all the relevant details and documents.

b. Balance 25% of the RA Bill value (Including GST) shall be paid within 20 working days from the date of bill certification.

Company Name	PROVIDENT HOUSING LIMITED		
WO Number	4540013657	WO Version	3
WO Date	12-Jul-2024	Version Date	28-Jan-2026

Payment from the Client shall be subject to Clause No 7 of this Additional T&C

7) Supplier, Subcontractor Payment of the Contractor:

In order to ensure proper & on time completion of the project. And to have smooth cashflow for the Project, following are the conditions applied.

- a) The Contractor shall maintain separate account for this project and shall be reviewed by the Client.
- b) The Contractor has to provide monthly cashflow projections chart to the Client.
- c) Head Office (HO) expenses of the Contractor: Fixed cost which is proposed by the Contractor and approved by the Client in writing, shall be paid by the Client in every month bill & balance amount will be payable at the completion stage of Project. This payment shall be considered as part of the Client payment to the Contractor under the Contract terms.
- d) The Contractor has to obtain written approvals by the Client for all major procurements and contract needs pertaining to Botanico project.
- e) The Client shall be allowed to monitor every cost of the Contractor's expenditure pertaining to this project.
- f) Along with RA Bills, the list of payments pertaining to Botanico project shall be shared by the Contractor and payment for same has to be processed against written approval of the Client.
- g) The Contractor has to ensure that the Botanico project's progress and timelines should not get adversely effected because of any of the issues and / or problems of other project/s of the Contractor. The Contractor has to ensure this project should not suffer because of adverse cashflow issues of any other projects of the Contractor.

8) The above-mentioned additional terms are only for the purposes of managing the cash flow for the project and there shall not be any change in the awarded contract value, terms & conditions of the Contract. This is the complete responsibility of the contractor.

9) In no manner the Client approval shall relieve the Contractor from their obligations and responsibilities under the terms & conditions of the Contract.

ANNEXURE 1- GENERAL CONDITIONS OF WORK ORDER / WORK CONTRACT (GCC)**1. DEFINITIONS**

The terms used in this Contract shall have following defined meanings and are referred in Capital.

- a) WORK ORDER / WORK CONTRACT is this work order / contract between the Client and the Contractor.
- b) CONTRACTOR is the person or corporate body who has accepted to execute this contract.
- c) PROJECT INCHARGE is the Representative nominated by the Client for supervising the Contractor.
- d) The CLIENT is the party on whose Letter Head this order is issued.
- e) The WORKS is what the Contract requires the Contractor to execute within the stipulated time schedule and cost, more particularly defined in Particular Conditions of Contract (PCC).
- f) SPECIFICATIONS are the item description in Priced Bill of Quantities (BOQ), Drawings, Technical Specifications, Datasheets, relevant codes, standard practices, Approved Program, instructions from Client, etc., as agreed to be the part of Contract.
- g) PARTIES: Client & Contractor are collectively referred to as Parties.

2. SCOPE OF WORK

- a) The Works required to be executed by the Contractor shall include, but not limited to the Scope of Work defined in Particular Conditions of Contract (PCC).
- b) The Client shall have the right to increase/ decrease or split the scope of works required to be executed by the Contractor. Such increase or decrease shall be binding on the Contractor and shall be at the sole discretion of the Client.

3. TIME SCHEDULE & PROGRAMME

- a) The Contractor shall execute and deliver the works/services as per the Time Schedule mentioned in the Particular Conditions.
- b) Contractor shall submit to the Client for approval a program showing general methods, arrangements, sequence and timing of all the activities, within overall time stated in the PCC.
- c) The Contractor shall submit to the Client, update of the program at agreed intervals, showing actual progress achieved on each activity and the effect of the progress achieved on the timing of the remaining work including any changes to the sequence and dates of activities.
- d) If the Contractor does not submit the program, as required above within stipulated period, the Client may withhold the progressive payments due, till submission of the same by the Contractor.

4. CONTRACT VALUE (CV)

- a) The type (item-rate, lump sum, design and build, etc.) of this Work Contract shall be as mentioned in the PCC.
- b) Unless specified otherwise in PCC, the Contract Value shall be inclusive of all taxes, duties, levies, clearance charges, cess, octroi, toll, insurance, loading/unloading, transportation, storage, shifting, labour, tools/tackles, equipments etc..
- c) Taxes, which are not included in the Contract Value and are payable extra at actual, shall be as mentioned in the PCC.
- d) TDS (Tax deducted at source) shall be deducted as applicable, from all the Tax invoices as per the statute.
- e) It is understood that the Contractor have based his bid on data as ascertained by him, on his own inspection of all, pertaining to Site including natural conditions, nature of work, specifications, access to Site, equipment and facilities needed for execution of the Work, availability of manpower, power, water and costs thereof and other possible interference to Works. As such Client will not entertain any claims for compensation/escalation till completion of the works any reasons whatsoever including the cases where Contractor has misjudged the site conditions, Contract conditions or tender items.

5. PERFORMANCE SECURITY

- a) The Contractor shall obtain and submit security at his cost for faithful performance of the Contract, for the amount as mentioned in the Particular Conditions of Contract, in the form of Demand Draft or Bank Guarantee provided by an approved Nationalized/Reputed Private Bank/Scheduled Bank in the prescribed format. The performance security shall be valid and kept valid till the time/period mentioned in the Particular Conditions.
- b) The Client shall be entitled to claim under Performance Security and any such amount available with Client (e.g. retention, pending bill payment, etc.) when the Contractor is in breach of Contract, by a notice of 15 days on the Contractor, for breaches, unpaid Liquidated Damages, outstanding debit notes, Arbitration Settlement, or expenses/Damages incurred on termination of the Contract.

6. INSURANCES

- a) Unless stated otherwise in Particular Conditions, Contractor shall arrange for insurance policy(s) covering all materials (including materials supplied by Client free of cost), labour, machinery including third party, for the maximum possible liability that may arise on occurrence of anticipated risks, from reputed Insurance company, in the joint names of the Client and the Contractor and sub-contractors (if any).
- b) Original Insurance Policy along with the premium receipt shall be deposited with the Client. If the Contractor fails to procure and submit such policies, the Client shall be entitled (though not obliged) to procure such policies and

recover the cost thereon from the Contractor's outstanding dues or withhold the Contractor's payment till such policy (ies) are submitted by the Contractor. The Client shall be entitled to prosecute and/or compromise or settle the claims under the policies in such manner as deemed fit without reference to the Contractor. The Contractor shall provide necessary assistance to the Client in such eventualities.

- c) Client reserves the right to take all or some of the insurance policies directly and thereafter the Contractor shall be required to process the claims, if any, under such policies. The Client further reserves the right to nominate an Insurance Company from whom the Contractor will be required to obtain insurance policy (ies).

7. MOBILISATION ADVANCE

- a) The Client shall make an interest free Advance payment for mobilization against submission of agreed form of surety (if any) by the Contractor. The total advance payment, the number and timing of installments (if more than one) and the type of security shall be as mentioned in the Particular Conditions. Unless specified otherwise in the PCC, surety shall be in form of Bank Guarantee (BG) provided by a Nationalized/Reputed Private/Scheduled Bank, in the prescribed format. The BG shall be valid for contract duration and shall be kept valid till recovery of the full advance amount.
- b) The recovery of the advance shall be done on the pro-rata basis from the 1st running account bill onwards, at the % rate mentioned in the PCC. The outstanding advance amount (if any) in full shall become due for recovery at the time of final billing on completion of work, foreclosure or termination of contract.

8. PRICED BILL OF QUANTITIES (BOQ)

- a) The quantities set out in the BOQ are the estimated quantities for the Work and the Client shall not be responsible for its variation with the actual quantities. The quantities may vary (+/-) for items to any extent. The Contractor shall not be entitled for making any claim for price escalation, anticipated profits, loss of profit or for damages due to such variations.
- b) The item rate mentioned in BOQ shall be inclusive of Design (in Design & Build contract), Manufacture, Procurement, Testing, Supply, Installation and Commissioning as applicable.
- c) The rates mentioned in priced bill of quantities shall not be subject to any escalation for any reason whatsoever for the entire duration of this Contract, including time extensions (if any), till completion.

9. NON-TENDERED ITEMS

The rates for any item ordered by the Client for execution, which is not covered in the priced bill of quantities, shall be derived from the item rate (or combination of the item rates) in the Priced BOQ for similar/comparable item(s). In the event of similar items not being available in Priced BOQ, the rate shall be derived based on rate analysis comprising of the following:

- (i) Landed cost of all material; (ii) Cost of direct labour; (iii) hire charges for plant/equipment; (iv) 15% of sum of the items mentioned in (i) (ii) and (iii) above towards Contractors overhead and profit.

However instruction/order for execution of any such item(s) shall be issued in writing by Client's Project-in-charge at site.

10. MATERIALS ISSUED BY CLIENT & MATERIALS WITH BASIC RATE

- a) The list of such materials, their basic rates and the maximum permissible wastages are listed in the Annexure, as mentioned in the Particular conditions. The terms of their use, storage, issue and return, handling, reconciliation and recovery for misuse/wastage etc. shall be as stated in that Annexure.
- b) The materials to be issued by Client (if any, either free of cost or at fixed unit rate), shall be indented by the Contractor in advance (based on the lead time for delivery) along with the required delivery schedule.

11. SITE INFRASTRUCTURE

- a) **Water & Power** – Unless specified otherwise in the PCC, Contractor shall arrange for water and power (including DG Power) including their internal distribution at site, at no additional cost to the Client.
- b) **Labour Accommodation**– Accommodation for Contractor's staff and workmen is not allowed on the Project site premises. Unless specified otherwise in the PCC, the Contractor shall arrange for the Labour accommodation outside the Project site premises at their cost.
- c) **Storage** – Space for required material storage shall be provided by the Client. The Contractor shall at his own cost provide lockable facility including adequate watch and ward, as required. The Client shall not be responsible for any loss due to theft, pilferage, fire or any other reasons whatsoever for such materials.

12. SUPPLY AND CUSTODY OF DRAWINGS

- a) Client's Drawings/details will be issued progressively to meet agreed Activity Schedule.
- b) Contractor shall
 - i) Submit to Client his drawings (where applicable) reasonably ahead of corresponding site activity and get approved for execution. However Client's approval of such drawings shall not absolve Contractor of his obligations under the Contract.
 - ii) Maintain at Site one set of approved drawings for use by Client for Inspection of Works.
 - iii) Give minimum 7 days' notice for any Drawing/detail required from the Client ahead of the Activity start date.

ANNEXURE 1- GENERAL CONDITIONS OF WORK ORDER / WORK CONTRACT (GCC)**13. CONTRACTOR'S GENERAL RESPONSIBILITIES**

Contractor shall: a) with due care and diligence, design (where applicable), execute and complete the Works and remedy all Defects to meet the Specifications to the satisfaction of the Client. b) Provide all superintendence, labour, materials, plant, equipment and tools, consumables, construction and testing aids for satisfactory fulfillment of his obligations under the Contract. c) Take full responsibility for adequacy, stability and safety of all his operations and Activities in respect of Works. d) Carry out all reasonable instructions of the Client.

14. METHOD STATEMENT

The Contractor shall submit, when directed by the Client, such information, details and calculations pertaining to methods of construction including those of Temporary Works to establish that Works are executed in accordance with the Specifications and without any detriment to Works.

15. CONTRACTOR'S SUPERINTENDENCE

The Contractor shall give or provide all necessary superintendence during the execution of the works for the proper fulfillment of the contractor's obligation under the contract. The Contractor's representative shall be vested with enough power by the Contractor to enable him to take decisions at site for the due and diligent performance of the Contract. The Contractor, or a competent and authorized agent is to be constantly on the works and shall give his whole time to the superintendence of the same. Such representative shall receive, on behalf of the Contractor, directions and instructions from the Client's Project In-charge. The Contractor's representative shall be nominated in writing. The Contractor shall be obligated to make available one professional for safety at work (safety engineer) on this job. Further the Contractor shall provide and employ on the site, in connection with the execution and maintenance of the works.

- a) only such technical assistants, as are skilled and experienced in their respective fields and such sub-agents, foremen and leading hands as are competent to give proper supervision to the work they are required to supervise, and
- b) such skilled, semi-skilled and unskilled labour as are necessary for the proper and timely execution and maintenance of the works.

16. SETTING OUT

Contractor shall be responsible for accurately setting out the Works in relation to bench marks, base lines, original points, levels and levels of reference, providing all necessary enabling aids and tools. He shall be responsible for remedying any Defect, in such setting out.

17. QUALITY CONTROL

a) All materials, and workmanship of Works shall confirm to drawings and Specifications to the satisfaction of the Client. ii. The work shall be free of any Defect - in material, design(if design is in Contractor's scope) and workmanship. iii. Materials shall be subjected, from time to time, to such Tests, at the place of manufacture or preparation or at Site, as specified in Contract. b) The Client shall be entitled to check the Works, for which Contractor shall provide assistance, labour, electricity, fuels, enabling tools and aids for examination, testing and measuring any materials before incorporation in Works. c) All costs of samples and testing clearly provided for in Contract and governing Codes/Specifications shall deemed to be included in Contract Price. d) Contractor shall record results and observations of Tests at various stages and submit all such records as a pre-requisite to taking over of the Works by the Client. e) No approval of design, calculations and Tests by the Client shall relieve Contractor of his obligations under the Contract.

In cases where no particular specification/ quality manual is stipulated for material, workmanship, methods, acceptance and test criteria, relevant applicable BIS standard or its equivalent international specification shall apply and in the absence of any reference, standards good engineering practice and usage, as acceptable to the Client shall be followed.

QMS COMPLIANCE: The Client may insist on certain specific documentation, procedures and process control in line with QMS norms and the Contractor shall comply with such requirements without any additional cost to Client

Performance Evaluation: Performance of contractor shall be evaluated once in six months based on criteria as per our standard evaluation format and the performance report of contractor shall be submitted by our project team.

18. SAFETY

- i) The Contractor shall
 - a) Be responsible for the safety of all activities carried out by him on Site. He shall have full regard to all persons entitled to be upon Site and maintain Site in an orderly state appropriate to avoidance of any danger to such persons;
 - b) comply to clients safety standards and in case where no particular manual is issued the contractor shall at all times comply to OHSAS safety standards or its equivalent international standards c) make adequate arrangement as per the nature of work and the hazards involved in them to ensure safe working conditions; d) provide PPEs (Helmet, Safety Shoes, Gum boots, Safety belts with anchorage points etc.) and maintain lights, guards, fencing, warning signs as necessary to the satisfaction of the Client. In the event of Contractor's failure to provide PPEs to his workers, Client may provide the same and debit 1.5 times the cost to the Contractor; e) be responsible for any damages, death or

injury caused to any person and liabilities and any expenses of claims, loss or damages, resulting from omissions of Contractor in this regard. f) Maintain First Aid box at site. g) submit third party test certificate for all lifting devices; h) ensure reverse horn for all construction vehicles; i) adhere to all safety procedures; j) appoint a Safety Officer to co-ordinate Safety aspects of the Works;

- ii) The contractor shall be penalized for any non-compliance to the safety requirements as laid down in the approved safety plan. The penalty for non-compliance shall be worked out and imposed, as detailed below:
 - i) If any non-conformity is noticed during the execution of work, **OWNER's safety Engineer /Manager** shall issue a formal Non Conformity (NC) report to the contractor. To the extent possible, photographic evidence shall be appended with the NC report.
 - ii) Each NC shall be classified either as a Major NC or a Minor NC.
 - iii) A guideline to classify NCs into major and minor categories is given hereunder in Table 1. Any NC not indicated in the guideline shall at first be treated as a Minor NC.
 - iv) For every major NC an amount of Rs. 10,000/- (Rs. Ten Thousand only) shall be levied as penalty
 - v) For every minor NC an amount of Rs. 2000/- (Rs. Two Thousand Only) shall be levied as penalty.
 - vi) The amount levied as penalty shall not be refunded under any circumstances.
 - vii) The decision of Client/Client's authorized representative shall be final and binding in this regard.

Table 1

S.No	List of Minor NCs
1	Non use or improper use of helmets, safety shoes or any other applicable Personal Protective Equipment (PPE)
2	Inadequate lighting of the work area during night
3	Non roadworthiness of vehicles
4	Non provision of reverse horn on construction vehicles and moving equipment
5	Absence of body earthing of machines
6	Absence of flash back arrestor on gas cylinders.
7	Non availability / absenteeism of required nos. Of safety professionals
8	Not implementing agreed corrective / preventive action from audit findings or as recorded in accident investigation reports.

S.No	Indicative List of Major Non Conformities (NCs)
1	Any minor NC that is repeated more than 2 times.
2	Operation of any plant or equipment without proper test certificate.
3	Not reporting any safety incident / accident / near miss
4	Operation of any equipment by an unauthorized person
5	Deployment of child labour
6	Absence of safety appliances like safety net, barricade, ELCB 30mamp, safety devices on lifting appliances, edge protection, Catch Platforms on bldg periphery @first floor and every 30 mtr & inside lift shaft, life guard on moving parts, scaffolding, ladders and walkways, safety life line as applicable to the work in progress and equipment in use.
7	Obstruction of any nature to Owner's safety personnel
8	Nonpayment of compensation to workmen injured in an accident within stipulated time. One month after issue of this NC, the same will become a fresh NC every month till the compensation is paid.

The provisions of this clause are meant to discourage the contractor from ignoring safety related requirements. Levying of penalty by Owner shall in no way discharge the contractor from his responsibility of complying with statutory requirements and providing safe working conditions at all times.

19. HOUSEKEEPING

The Contractor shall keep the site in clean and orderly manner at all time and as instructed by Client's representative(s). The construction debris generated due to the Contractor's operations shall be stacked properly and removed from site at regular intervals.

20. CARE OF WORKS

Contractor shall be responsible for the care of the Works and materials and plant for incorporation therein from date of Commencement to Completion and taking over by the Client. Contractor shall be liable for any loss or damage to the Works, for any reason other than excepted risks, until it is taken over by the Client. He shall make good any losses, damages and any costs towards compensation paid by Client to third parties.

21. WORKING HOURS

Unless stated otherwise in particular conditions, the normal working hours at site shall be between 09:00 Hrs to 18:00 Hrs on all weekday. However to make up for delays, Contractor, with prior Client's permission, can work for extended hours and on Sundays/holidays without disturbing the neighbor-hood and without any additional cost to Client. Client will extend necessary support, to the extent possible, for the extended hour workings and working on Sundays/holidays.

ANNEXURE 1- GENERAL CONDITIONS OF WORK ORDER / WORK CONTRACT (GCC)**22. COORDINATION**

The Contractor shall cooperate and coordinate with other agencies, Consultant/ subcontractors appointed by Client for the proper execution and completion of works.

23. COMMUNICATION

All the communication between the Parties shall be channelized through their Authorized representatives. The communication on email, fax, telex, physical letters-hand delivered or by post (registered with A/D) shall be the recognized form of communication. Verbal communication or communication on electronic messengers like sms, whatsapp, we-chat etc, shall not be recognized for the purpose of the contract.

24. COMPLIANCE WITH STATUTES AND REGULATIONS

The Contractor is responsible for all compliances of statutory provisions of Remittance, payments & Filing of Returns towards his employees under the Contract Labour Act, Employees Provident Fund Act, Employees State Insurance Act, Payment of Wages Act, Minimum Wages Act, Workmen's Compensation Act, Building & Other Construction Workers Act and all other applicable Acts, Rules and Regulations from time to time. Copies of all necessary compliances shall be submitted monthly and produce the same to the Client, along with the muster roll, Provident Fund Account No., Provident Fund paid Challans along with Form 5 & 10, 12 A. Also copy of Form 6A (Annual Returns) under EPF Act shall be submitted by 7th May of every year. Contractor shall obtain License under the Contract Labour Abolition & Regulation Act, Building & Other Construction Workers Act and the copy of the same shall be displayed at the site. At any point of time during the progress of work if non compliance of rules & regulations is observed, as a Principal Employer/ Client reserves the right to remit such amounts to respective departments upon receipt of notice and debit to your account all such costs after allowing notice time of 15 days.

25. INDEMNITIES

The Contractor shall indemnify the Client, its Affiliates, Officers, Directors, against any Liability claims, Loss, Damages cost from its expenses (including lawyer's fees and costs), without exception arising from, or resulting in a) infringement of Trademarks, Patents, Copyrights and trade names and unfair trade practices; b) use of materials/Goods supplied under this Contract; construction, manufacture, transportation or installation of the Goods or services rendered; c) non-compliance of statutory or legal or regulatory needs and d) any delay in obtaining credit or loss of credit due to non-disclosure or incorrect disclosure of transactions, taxes in the forms / returns uploaded by the supplier would be recovered, including the loss of the credit, interest, etc. to the extent of the damage incurred by us.

26. MEASUREMENT, CERTIFICATION, INVOICING & PAYMENT

- Bills shall be submitted by the Contractor at the periodicity mentioned in PCC. The basis of payments will be the actual quantities of work executed by the Contractor, as jointly measured and verified by the Client or its representative / Project in charge on project site and valued at the rates agreed in the priced BOQ as may be applicable. Mode of measurement shall be as defined, in the order of preference, in BOQ, technical specifications, IS 1200 or standard practice.
- The Contractor shall submit invoice along with joint measurement duly certified by Client representative. Payment of all the said invoice / bills shall be released by the Client, within the time period mentioned in Particular Conditions, after submission of duly certified invoice by Client's Project In charge.

27. RETENTION

- Running bills submitted by Contractor at agreed periodicity shall be paid on joint measurement with Contractor and certification by Client. The Client shall retain the percentage amount as stated in Particular Condition of Contract from each invoice, until completion of the whole Works.
- Unless specified otherwise in the Particular Conditions, the retention shall be released to the Contractor after Defects Liability Period is completed, on certification by Engineer that any Defects noticed during Defects Liability Period have been rectified.

28. COMPLETION AND HANDING OVER:

- The date of Completion is when the Goods/Works are ready for intended use/operational occupation and when all contractual obligations are completed as per Contract Specifications and it signifies start of Defects Liability Period.
- The Client shall signify acceptance of completion by signing a Completion Certificate.
- The Contractor shall issue a detailed account of amount receivable, making adjustments for advances, retentions and a Discharge Certificate, signifying final settlement of all dues under Contract. The following documents/details shall be submitted by the Contractor to the Client at the time of Handing over the project i) Required information regarding "As Built Drawings" ii) Test Results and Report iii) Guarantees, O&M Manual, (as applicable)

29. EXTENSION OF TIME FOR COMPLETION

- The Client may agree to extend Completion Date, what it considers as reasonable, under its absolute discretion, on application by Contractor, if

- The Client has ordered increase in scope of work or there is abnormal variation in quantities leading in substantial increase in cost;
- There is existence of unforeseeable circumstances/conditions, not under reasonable control of Contractor.
- There is/was delay(s) caused due to reasons attributable to Client, other Contractor(s) at site, statutory authorities.

- The grant of extension of time by the client shall not entitle the contractor to claim revision in rates or any other cost compensation.

- Delay in certification or payment of bills by the Client shall not be a reason for extension of time.

30. FORCE MAJEURE

- All risks of loss or damage to physical property and of personnel injury and death which arise during or in consequence of performance of Contract including those due to Contractor's faulty design or workmanship shall be the responsibility of Contractor under all circumstances.
- The excepted risks which are common to the Client and Contractor are risks of war, hostilities, invasion, act of foreign enemies, rebellion, revolution, insurrection or military or usurped power, civil war, riot, commotion or disorder (unless restricted to Contractor's employees) and contamination from any nuclear fuel or nuclear waste or radioactive toxic explosive.
- In case of excepted risks under (b), either party shall be under no liability for not providing or not accepting Service.

31. LIQUIDATED DAMAGES

Unless specified otherwise in the Particular Conditions, Liquidated Damages shall be recovered by the Client at a rate of 0.5% of the Contract Value per week delay in completion of work beyond the agreed period/date of completion, subject to a maximum of 10% of the Contract Value.

32. DEFECTS LIABILITY

- The Contractor shall be responsible for rectifying at his expense all Defects that may arise in the Goods / Services due to faulty design (if design is by Contractor), material or workmanship up to the period after completion and handing over, as stated in particular condition of Contract.
- If the Client has specified a performance specification under the Contract, the Contractor shall have deemed to have warranted that the Goods shall attain such performance. Should the Goods fail to meet such performance criteria such failure shall be deemed to be a Defect within the meaning of this Clause.
- The Client shall notify the Contractor of any Defect(s) which the Contractor shall attend and rectify promptly to the satisfaction of Client's Project In-charge, within the mutually agreed time period.
- The Client may get the Defect rectified through a Third Party, at Contractor's risk and cost if the Contractor has not corrected the Defect within Defects correction period, after a notice of two weeks. The cost of such rectification shall be deducted from Contract Price or adjusted against Retention or performance security or any other amount due to the Contractor in this or any other contract between the Parties, or recovered at Law.
- The Defect Liability Period can be extended for the works or a part of it, subject to a maximum of 3 (Three) years, if and to the extent that the Works or a part of it (after handing over on completion) cannot be used for the purposes for which they were intended by reason of a defect or damage (attributable to the Contractor).

33. SUSPENSION OF WORKS

- The Client shall, with or without assigning any reason, be entitled to suspend the Works, in whole or part, with immediate effect. The Contractor shall continue to execute the work on the unsuspended portion of works and take all necessary steps to protect the works done in the suspended portion of works. The Contractor shall immediately proceed towards minimizing the losses at site.
- The Contractor shall be entitled for suitable extension of time if the reason of suspension is not attributable to him. The Contractor will however not be entitled to any cost compensation for a suspension period of 30 (thirty) consecutive days.
- In the event of prolonged suspension (beyond consecutive 30 days), Contractor may, by a notice of 7 days to the Client, request for permission for full demobilization and foreclosure of the Contract. Contractor upon Client's approval, which shall be granted within 7 days of receipt of notice, may fully demobilize and shall be entitled to such compensation as mentioned in Clause 34 below.
- If the Client disapprove the Contractor's request (made under sub-clause 'c' above) or wants the Contractor to keep mobilized at site, the Contractor shall continue at site and shall be entitled to following compensation for the period from 46th day (from effective date of suspension) to the date of revocation of suspension by the Client:
 - Idle charges (after due substantiation of the expenses by Contractor, verification and approval by Client) for agreed minimum resources (labour, formwork materials and plants/equipments) maintained at site by the Contractor during suspension.
 - Actual cost incurred by the Contractor towards protection of the works, which he would not have incurred if there was no suspension of work.

The Contractor shall remobilize and restart the works, without any additional cost to the Client, within 7 days of receiving notice of revocation of suspension from the Client.

ANNEXURE 1- GENERAL CONDITIONS OF WORK ORDER / WORK CONTRACT (GCC)**34. FORECLOSURE**

The Client shall, upon a notice of 7 days on Contractor, with or without assigning any reason, be entitled to foreclose the Contract, in whole or part. The Contractor shall remove all surplus materials, labour, temporary structures including labour camp, plants/equipments etc. from the site within 7 days of the date of foreclosure.

The Contractor shall be entitled to the following compensation in the event of foreclosure:

- (i) The cost of work done till the date of foreclosure, as per the contract
- (ii) Actual cost of materials brought at site with permission of Project-in-charge, which could not be incorporated in the permanent works or cannot be returned back to supplier/vendor, subject to submission of delivery challans, invoices and physical verification of stock after proper stacking/storage as per instruction of Project In Charge.
- (iii) Cost of demobilization of heavy equipments/plants (if any).

The Contractor shall not be entitled to any other compensation, such as for loss of earnings, idle charges etc.. The Client shall release the final bill after adjustment of any outstanding advance and other dues. Client shall be entitled to recover the unadjusted amount (if any) from Bank Guarantees at their disposal or outstanding amount due in other contract between Parties, or at Law.

35. TERMINATION

- I) The Client shall, upon a notice of 15 days on Contractor, be entitled to terminate the Contract, in whole or part, if the Contractor (a) fails to submit performance security, (b) subcontracts the whole of the Works or assigns the Contract without permission (c) fails to start the work without reasonable excuse or is not proceeding diligently to meet delivery time, or such time period has expired (d) abandon the Works (e) is not executing the Works as per Specifications (f) has gone bankrupt/insolvent (g) has engaged in corrupt, fraudulent, collusive or coercive practices, in competing or executing the Contract, (h) fails to rectify defects (i) has refused to carry out any reasonable instruction of the Client.
- II) In case of reasons under (f) or (g) above, Client may terminate the Contract immediately without prior notice.
- III) The Contractor shall stop all works and demobilize his resources on the terminated portion of work and take joint measurement (with Client) of works completed till the date of termination and submit the same to the Client within 15 (Fifteen) days. Client may get the measurement done directly or ex-party, after expiry of 15 days, if the Contractor fails to submit such measurement. The measurement done by Client or ex-party shall be final and binding on the Contractor.
- IV) Upon termination, the Client at its sole discretion, may proceed with either of the options below:
 - a) Allow removal of Contractor's plants/equipments/temporary structures, release the payment for the work done till the date of termination after levy of maximum % age of Liquidated Damages and adjustment of any outstanding advances and other dues. Client shall be entitled to recover the unadjusted amount (if any) from the Bank Guarantees at their disposal or outstanding amount due in other contract(s) between the Parties, or at Law.
 - b) Appoint any other agency(s) to complete the balance work at risk and cost of the Contractor, recover outstanding advances from the Bank Guarantees at Client's disposal or from outstanding amount due in other contract(s) between the Parties, or at Law. Client shall also be entitled to forfeit and sell the plant/equipment /machinery/temporary structures of the Contractor to recover the outstanding dues. Contractor shall not be entitled for any further payment till the completion of all works including remedying defects in Defect Liability Period by the other agency(s). The balance payment to the Contractor shall be released after adjustment of additional cost incurred by the Client in completing the balance work along with levy of Liquidated Damages for the period of delay in completion.

36. MISCELLANEOUS

- a) **ASSIGNMENT & SUBCONTRACTING:** The CONTRACTOR shall not directly or indirectly, assign, sublet or transfer, in whole or in part, any of its obligations, interests or rights arising out of this Work Order without the prior written consent of the CLIENT. The Client shall have the right to assign, nominate and/or transfer its right and interest to any of its affiliates, subsidiaries or group companies without any permission or consent of Contractor.
- b) **NOTICES:** All consents, notices, demands or other communications required to be given or made hereunder shall be in English language, in writing and delivered personally or sent by regular email or by prepaid registered post A/D addressed to the intended recipient thereof at its address as mentioned in the title of this Work Order or to such address as any Party may, from time to time, notify to the other Parties
- c) **OWNERSHIP AND USE OF DOCUMENTS:** All Drawings, Plans, Schedules, Specifications, Study Reports, models, photographs, sketches, drawings, and other instruments of services prepared by the Contractor in the performance of services including all copyrighted, patented and intellectual property set forth therein (collectively deliverables) are and shall remain the sole and exclusive property of the Client whether the project for which they are prepared is executed or not. The deliverables, photograph, designs and documents shall

not be used by the Contractor on other projects nor shall they be published in any manner whatsoever except by prior permission of the client in writing

- d) **CONFIDENTIALITY:** The Contractor agree that during the subsistence of this Contract, the Contractor may come in possession of information confidential to the client and agree to keep such proprietary information as confidential. Confidential information means all information and any idea in whatever form, tangible or intangible, whether disclosed to or learned by Contractor, pertaining in any manner to the business of the Client or Client affiliates, subsidiaries, Contractor or business associates, whether in written, oral, encoded, graphic, magnetic, electronic or in any other tangible or intangible form, and whether or not labeled as confidential by the Client or otherwise provided by the Client.
 - e) **SEVERABILITY:** If any term or provision of this Contract or the application thereof to any person or circumstances shall, to any extent and for any reason, be invalid or unenforceable, the remainder of the Contract, or the application thereof to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby and each term and provision of the Contract shall be valid and be enforced to the fullest extent permitted by law.
 - f) **NO WAIVER:** The failure of either party to insist, in any one or more instances, on the performance of any obligation or right under this Contract shall not be construed as a waiver or relinquishment of such obligation or right with respect to future performance.
 - g) **MODIFICATION:** No modification or amendment to this Contract shall be effective and binding unless and until it is reduced to writing and is executed by the duly authorized representatives of both parties.
 - h) **SURVIVAL:** Rights and obligations accrued prior to expiry or termination of the Contract and all rights and obligations, which by their nature are intended to survive the expiry or termination of the contract, shall survive such expiry or termination.
- 37. CONTRACT – OFFER & ACCEPTANCE**
- a) The Contractor shall accept the offer (Work Order) by appending his signature (with stamp/seal) within 7 days of the order date, failing which the Client may proceed to cancel the order.
 - b) By executing this Work Order the CONTRACTOR declares that it has the Legal Capacity to execute this Work Order and that there is no statutory claims, demands, attachments and prohibitory orders made or issued by taxation authority or government or any other local bodies in any manner affecting the services provided by the Contractor.
 - c) The work order along with enclosures (as listed in Particular Conditions), signed by the Client and upon due acceptance by the Contractor, shall constitute a binding contract between the Client and the Contractor.
 - d) The Contract hereto embody and constitute the entire understanding among the parties with respect to the matters herein contained, and all prior or contemporaneous correspondence, term sheets, agreements, understandings, representatives and statements, oral and written, are merged into this contract. No variation of this Contract shall be effective unless the same is made in writing and signed by the parties.
- 38. DISPUTES AND ADJUDICATION:**
- a) Any dispute or difference that arises (during progress of work or after completion/termination/foreclosure) between the Client and the Contractor in respect of rights, duties or obligations of the parties, under the Contract, that cannot be amicably resolved by mutual discussions at various levels, on expiry of 60 (sixty) days of notification by either Party, may be referred for Arbitration.
 - b) The existence of any claim or dispute will not entitle the Contractor to stop or delay the Work and Contractor shall continue to perform the services/work in accordance with the provisions of the Contract and in accordance with the Client's instructions with all due diligence and dispatch and perform all its obligations under the Contract. The Client will not unreasonably withhold any undisputed money due and payable to the Contractor on account of arbitration proceedings.
 - c) The Arbitration Tribunal shall be constituted and Arbitration conducted in accordance with the procedures laid in "The Arbitration and Conciliation Act 1996" of India with latest amendments and revisions. Either Party shall nominate One Arbitrator each, who in turn shall appoint the third Arbitrator (Umpire). The decision of the Umpire shall be final and binding on the parties. The award shall be a speaking award.
 - d) The Arbitrator(s) may not award legal fees to the prevailing party and each party shall bear their own costs. The venue of Arbitration shall be as stated in Particular Conditions. The Arbitration shall be conducted in English.
 - e) **Excepted Matters:** The decision, opinion, direction, certificate (except for payment) with respect to all or any of the matters under various clauses herein with and any other clause in which decision of the Client is stipulated to be final thereof (which matters are herein referred to as the "excepted matters") shall be final and conclusive and binding on the Parties hereto and shall be without Appeal.
 - f) **JURISDICTION:** All disputes, questions and differences arising out of this Contract shall be subject to the exclusive jurisdiction of the place stated in the Particular Conditions.
