Terms & Conditions					
Terms and Condtions shall be as per LOA Ref:PHL/ECO/GC/LOA/2023-24/886 Dated:26th February 2024 and respective Contract.					

ANNEXURE 1- GENERAL CONDITIONS OF WORK ORDER / WORK CONTRACT (GCC)**1. DEFINITIONS**

The terms used in this Contract shall have following defined meanings and are referred in Capital.

- a) WORK ORDER / WORK CONTRACT is this work order / contract between the Client and the Contractor.
- b) CONTRACTOR is the person or corporate body who has accepted to execute this contract.
- c) PROJECT INCHARGE is the Representative nominated by the Client for supervising the Contractor.
- d) The CLIENT is the party on whose Letter Head this order is issued.
- e) The WORKS is what the Contract requires the Contractor to execute within the stipulated time schedule and cost, more particularly defined in Particular Conditions of Contract (PCC).
- f) SPECIFICATIONS are the item description in Priced Bill of Quantities (BOQ), Drawings, Technical Specifications, Datasheets, relevant codes, standard practices, Approved Program, instructions from Client, etc., as agreed to be the part of Contract.
- g) PARTIES: Client & Contractor are collectively referred to as Parties.

2. SCOPE OF WORK

- a) The Works required to be executed by the Contractor shall include, but not limited to the Scope of Work defined in Particular Conditions of Contract (PCC).
- b) The Client shall have the right to increase/ decrease or split the scope of works required to be executed by the Contractor. Such increase or decrease shall be binding on the Contractor and shall be at the sole discretion of the Client.

3. TIME SCHEDULE & PROGRAMME

- a) The Contractor shall execute and deliver the works/services as per the Time Schedule mentioned in the Particular Conditions.
- b) Contractor shall submit to the Client for approval a program showing general methods, arrangements, sequence and timing of all the activities, within overall time stated in the PCC.
- c) The Contractor shall submit to the Client, update of the program at agreed intervals, showing actual progress achieved on each activity and the effect of the progress achieved on the timing of the remaining work including any changes to the sequence and dates of activities.
- d) If the Contractor does not submit the program, as required above within stipulated period, the Client may withhold the progressive payments due, till submission of the same by the Contractor.

4. CONTRACT VALUE (CV)

- a) The type (item-rate, lump sum, design and build, etc.) of this Work Contract shall be as mentioned in the PCC.
- b) Unless specified otherwise in PCC, the Contract Value shall be inclusive of all taxes, duties, levies, clearance charges, cess, octroi, toll, insurance, loading/unloading, transportation, storage, shifting, labour, tools/tackles, equipments etc..
- c) Taxes, which are not included in the Contract Value and are payable extra at actual, shall be as mentioned in the PCC.
- d) TDS (Tax deducted at source) shall be deducted as applicable, from all the Tax invoices as per the statute.
- e) It is understood that the Contractor have based his bid on data as ascertained by him, on his own inspection of all, pertaining to Site including natural conditions, nature of work, specifications, access to Site, equipment and facilities needed for execution of the Work, availability of manpower, power, water and costs thereof and other possible interference to Works. As such Client will not entertain any claims for compensation/escalation till completion of the works any reasons whatsoever including the cases where Contractor has misjudged the site conditions, Contract conditions or tender items.

5. PERFORMANCE SECURITY

- a) The Contractor shall obtain and submit security at his cost for faithful performance of the Contract, for the amount as mentioned in the Particular Conditions of Contract, in the form of Demand Draft or Bank Guarantee provided by an approved Nationalized/Reputed Private Bank/Scheduled Bank in the prescribed format. The performance security shall be valid and kept valid till the time/period mentioned in the Particular Conditions.
- b) The Client shall be entitled to claim under Performance Security and any such amount available with Client (e.g. retention, pending bill payment, etc.) when the Contractor is in breach of Contract, by a notice of 15 days on the Contractor, for breaches, unpaid Liquidated Damages, outstanding debit notes, Arbitration Settlement, or expenses/Damages incurred on termination of the Contract.

6. INSURANCES

- a) Unless stated otherwise in Particular Conditions, Contractor shall arrange for insurance policy(s) covering all materials (including materials supplied by Client free of cost), labour, machinery including third party, for the maximum possible liability that may arise on occurrence of anticipated risks, from reputed Insurance company, in the joint names of the Client and the Contractor and sub-contractors (if any).
- b) Original Insurance Policy along with the premium receipt shall be deposited with the Client. If the Contractor fails to procure and submit such policies, the Client shall be entitled (though not obliged) to procure such policies and

recover the cost thereon from the Contractor's outstanding dues or withhold the Contractor's payment till such policy (ies) are submitted by the Contractor. The Client shall be entitled to prosecute and/or compromise or settle the claims under the policies in such manner as deemed fit without reference to the Contractor. The Contractor shall provide necessary assistance to the Client in such eventualities.

- c) Client reserves the right to take all or some of the insurance policies directly and thereafter the Contractor shall be required to process the claims, if any, under such policies. The Client further reserves the right to nominate an Insurance Company from whom the Contractor will be required to obtain insurance policy (ies).

7. MOBILISATION ADVANCE

- a) The Client shall make an interest free Advance payment for mobilization against submission of agreed form of surety (if any) by the Contractor. The total advance payment, the number and timing of installments (if more than one) and the type of security shall be as mentioned in the Particular Conditions. Unless specified otherwise in the PCC, surety shall be in form of Bank Guarantee (BG) provided by a Nationalized/Reputed Private/Scheduled Bank, in the prescribed format. The BG shall be valid for contract duration and shall be kept valid till recovery of the full advance amount.
- b) The recovery of the advance shall be done on the pro-rata basis from the 1st running account bill onwards, at the % rate mentioned in the PCC. The outstanding advance amount (if any) in full shall become due for recovery at the time of final billing on completion of work, foreclosure or termination of contract.

8. PRICED BILL OF QUANTITIES (BOQ)

- a) The quantities set out in the BOQ are the estimated quantities for the Work and the Client shall not be responsible for its variation with the actual quantities. The quantities may vary (+/-) for items to any extent. The Contractor shall not be entitled for making any claim for price escalation, anticipated profits, loss of profit or for damages due to such variations.
- b) The item rate mentioned in BOQ shall be inclusive of Design (in Design & Build contract), Manufacture, Procurement, Testing, Supply, Installation and Commissioning as applicable.
- c) The rates mentioned in priced bill of quantities shall not be subject to any escalation for any reason whatsoever for the entire duration of this Contract, including time extensions (if any), till completion.

9. NON-TENDERED ITEMS

The rates for any item ordered by the Client for execution, which is not covered in the priced bill of quantities, shall be derived from the item rate (or combination of the item rates) in the Priced BOQ for similar/comparable item(s). In the event of similar items not being available in Priced BOQ, the rate shall be derived based on rate analysis comprising of the following:

- (i) Landed cost of all material; (ii) Cost of direct labour; (iii) hire charges for plant/equipment; (iv) 15% of sum of the items mentioned in (i) (ii) and (iii) above towards Contractors overhead and profit.

However instruction/order for execution of any such item(s) shall be issued in writing by Client's Project-in-charge at site.

10. MATERIALS ISSUED BY CLIENT & MATERIALS WITH BASIC RATE

- a) The list of such materials, their basic rates and the maximum permissible wastages are listed in the Annexure, as mentioned in the Particular conditions. The terms of their use, storage, issue and return, handling, reconciliation and recovery for misuse/wastage etc. shall be as stated in that Annexure.
- b) The materials to be issued by Client (if any, either free of cost or at fixed unit rate), shall be indented by the Contractor in advance (based on the lead time for delivery) along with the required delivery schedule.

11. SITE INFRASTRUCTURE

- a) **Water & Power** – Unless specified otherwise in the PCC, Contractor shall arrange for water and power (including DG Power) including their internal distribution at site, at no additional cost to the Client.
- b) **Labour Accommodation**– Accommodation for Contractor's staff and workmen is not allowed on the Project site premises. Unless specified otherwise in the PCC, the Contractor shall arrange for the Labour accommodation outside the Project site premises at their cost.
- c) **Storage** – Space for required material storage shall be provided by the Client. The Contractor shall at his own cost provide lockable facility including adequate watch and ward, as required. The Client shall not be responsible for any loss due to theft, pilferage, fire or any other reasons whatsoever for such materials.

12. SUPPLY AND CUSTODY OF DRAWINGS

- a) Client's Drawings/details will be issued progressively to meet agreed Activity Schedule.
- b) Contractor shall
 - i) Submit to Client his drawings (where applicable) reasonably ahead of corresponding site activity and get approved for execution. However Client's approval of such drawings shall not absolve Contractor of his obligations under the Contract.
 - ii) Maintain at Site one set of approved drawings for use by Client for Inspection of Works.
 - iii) Give minimum 7 days' notice for any Drawing/detail required from the Client ahead of the Activity start date.

ANNEXURE 1- GENERAL CONDITIONS OF WORK ORDER / WORK CONTRACT (GCC)**13. CONTRACTOR'S GENERAL RESPONSIBILITIES**

Contractor shall: a) with due care and diligence, design (where applicable), execute and complete the Works and remedy all Defects to meet the Specifications to the satisfaction of the Client. b) Provide all superintendence, labour, materials, plant, equipment and tools, consumables, construction and testing aids for satisfactory fulfillment of his obligations under the Contract. c) Take full responsibility for adequacy, stability and safety of all his operations and Activities in respect of Works. d) Carry out all reasonable instructions of the Client.

14. METHOD STATEMENT

The Contractor shall submit, when directed by the Client, such information, details and calculations pertaining to methods of construction including those of Temporary Works to establish that Works are executed in accordance with the Specifications and without any detriment to Works.

15. CONTRACTOR'S SUPERINTENDENCE

The Contractor shall give or provide all necessary superintendence during the execution of the works for the proper fulfillment of the contractor's obligation under the contract. The Contractor's representative shall be vested with enough power by the Contractor to enable him to take decisions at site for the due and diligent performance of the Contract. The Contractor, or a competent and authorized agent is to be constantly on the works and shall give his whole time to the superintendence of the same. Such representative shall receive, on behalf of the Contractor, directions and instructions from the Client's Project In-charge. The Contractor's representative shall be nominated in writing. The Contractor shall be obligated to make available one professional for safety at work (safety engineer) on this job. Further the Contractor shall provide and employ on the site, in connection with the execution and maintenance of the works.

- a) only such technical assistants, as are skilled and experienced in their respective fields and such sub-agents, foremen and leading hands as are competent to give proper supervision to the work they are required to supervise, and
- b) such skilled, semi-skilled and unskilled labour as are necessary for the proper and timely execution and maintenance of the works.

16. SETTING OUT

Contractor shall be responsible for accurately setting out the Works in relation to bench marks, base lines, original points, levels and levels of reference, providing all necessary enabling aids and tools. He shall be responsible for remedying any Defect, in such setting out.

17. QUALITY CONTROL

a) All materials, and workmanship of Works shall confirm to drawings and Specifications to the satisfaction of the Client. ii. The work shall be free of any Defect - in material, design(if design is in Contractor's scope) and workmanship. iii. Materials shall be subjected, from time to time, to such Tests, at the place of manufacture or preparation or at Site, as specified in Contract. b) The Client shall be entitled to check the Works, for which Contractor shall provide assistance, labour, electricity, fuels, enabling tools and aids for examination, testing and measuring any materials before incorporation in Works. c) All costs of samples and testing clearly provided for in Contract and governing Codes/Specifications shall deemed to be included in Contract Price. d) Contractor shall record results and observations of Tests at various stages and submit all such records as a pre-requisite to taking over of the Works by the Client. e) No approval of design, calculations and Tests by the Client shall relieve Contractor of his obligations under the Contract.

In cases where no particular specification/ quality manual is stipulated for material, workmanship, methods, acceptance and test criteria, relevant applicable BIS standard or its equivalent international specification shall apply and in the absence of any reference, standards good engineering practice and usage, as acceptable to the Client shall be followed.

QMS COMPLIANCE: The Client may insist on certain specific documentation, procedures and process control in line with QMS norms and the Contractor shall comply with such requirements without any additional cost to Client

Performance Evaluation: Performance of contractor shall be evaluated once in six months based on criteria as per our standard evaluation format and the performance report of contractor shall be submitted by our project team.

18. SAFETY

- i) The Contractor shall
 - a) Be responsible for the safety of all activities carried out by him on Site. He shall have full regard to all persons entitled to be upon Site and maintain Site in an orderly state appropriate to avoidance of any danger to such persons;
 - b) comply to clients safety standards and in case where no particular manual is issued the contractor shall at all times comply to OHSAS safety standards or its equivalent international standards c) make adequate arrangement as per the nature of work and the hazards involved in them to ensure safe working conditions; d) provide PPEs (Helmet, Safety Shoes, Gum boots, Safety belts with anchorage points etc.) and maintain lights, guards, fencing, warning signs as necessary to the satisfaction of the Client. In the event of Contractor's failure to provide PPEs to his workers, Client may provide the same and debit 1.5 times the cost to the Contractor; e) be responsible for any damages, death or

injury caused to any person and liabilities and any expenses of claims, loss or damages, resulting from omissions of Contractor in this regard. f) Maintain First Aid box at site. g) submit third party test certificate for all lifting devices; h) ensure reverse horn for all construction vehicles; i) adhere to all safety procedures; j) appoint a Safety Officer to co-ordinate Safety aspects of the Works;

- ii) The contractor shall be penalized for any non-compliance to the safety requirements as laid down in the approved safety plan. The penalty for non-compliance shall be worked out and imposed, as detailed below:
 - i) If any non-conformity is noticed during the execution of work, **OWNER's safety Engineer /Manager** shall issue a formal Non Conformity (NC) report to the contractor. To the extent possible, photographic evidence shall be appended with the NC report.
 - ii) Each NC shall be classified either as a Major NC or a Minor NC.
 - iii) A guideline to classify NCs into major and minor categories is given hereunder in Table 1. Any NC not indicated in the guideline shall at first be treated as a Minor NC.
 - iv) For every major NC an amount of Rs. 10,000/- (Rs. Ten Thousand only) shall be levied as penalty
 - v) For every minor NC an amount of Rs. 2000/- (Rs. Two Thousand Only) shall be levied as penalty.
 - vi) The amount levied as penalty shall not be refunded under any circumstances.
 - vii) The decision of Client/Client's authorized representative shall be final and binding in this regard.

Table 1

S.No	List of Minor NCs
1	Non use or improper use of helmets, safety shoes or any other applicable Personal Protective Equipment (PPE)
2	Inadequate lighting of the work area during night
3	Non roadworthiness of vehicles
4	Non provision of reverse horn on construction vehicles and moving equipment
5	Absence of body earthing of machines
6	Absence of flash back arrestor on gas cylinders.
7	Non availability / absenteeism of required nos. Of safety professionals
8	Not implementing agreed corrective / preventive action from audit findings or as recorded in accident investigation reports.

S.No	Indicative List of Major Non Conformities (NCs)
1	Any minor NC that is repeated more than 2 times.
2	Operation of any plant or equipment without proper test certificate.
3	Not reporting any safety incident / accident / near miss
4	Operation of any equipment by an unauthorized person
5	Deployment of child labour
6	Absence of safety appliances like safety net, barricade, ELCB 30mamp, safety devices on lifting appliances, edge protection, Catch Platforms on bldg periphery @first floor and every 30 mtr & inside lift shaft, life guard on moving parts, scaffolding, ladders and walkways, safety life line as applicable to the work in progress and equipment in use.
7	Obstruction of any nature to Owner's safety personnel
8	Nonpayment of compensation to workmen injured in an accident within stipulated time. One month after issue of this NC, the same will become a fresh NC every month till the compensation is paid.

The provisions of this clause are meant to discourage the contractor from ignoring safety related requirements. Levying of penalty by Owner shall in no way discharge the contractor from his responsibility of complying with statutory requirements and providing safe working conditions at all times.

19. HOUSEKEEPING

The Contractor shall keep the site in clean and orderly manner at all time and as instructed by Client's representative(s). The construction debris generated due to the Contractor's operations shall be stacked properly and removed from site at regular intervals.

20. CARE OF WORKS

Contractor shall be responsible for the care of the Works and materials and plant for incorporation therein from date of Commencement to Completion and taking over by the Client. Contractor shall be liable for any loss or damage to the Works, for any reason other than excepted risks, until it is taken over by the Client. He shall make good any losses, damages and any costs towards compensation paid by Client to third parties.

21. WORKING HOURS

Unless stated otherwise in particular conditions, the normal working hours at site shall be between 09:00 Hrs to 18:00 Hrs on all weekday. However to make up for delays, Contractor, with prior Client's permission, can work for extended hours and on Sundays/holidays without disturbing the neighbor-hood and without any additional cost to Client. Client will extend necessary support, to the extent possible, for the extended hour workings and working on Sundays/holidays.

ANNEXURE 1- GENERAL CONDITIONS OF WORK ORDER / WORK CONTRACT (GCC)**22. COORDINATION**

The Contractor shall cooperate and coordinate with other agencies, Consultant/ subcontractors appointed by Client for the proper execution and completion of works.

23. COMMUNICATION

All the communication between the Parties shall be channelized through their Authorized representatives. The communication on email, fax, telex, physical letters-hand delivered or by post (registered with A/D) shall be the recognized form of communication. Verbal communication or communication on electronic messengers like sms, whatsapp, we-chat etc, shall not be recognized for the purpose of the contract.

24. COMPLIANCE WITH STATUTES AND REGULATIONS

The Contractor is responsible for all compliances of statutory provisions of Remittance, payments & Filing of Returns towards his employees under the Contract Labour Act, Employees Provident Fund Act, Employees State Insurance Act, Payment of Wages Act, Minimum Wages Act, Workmen's Compensation Act, Building & Other Construction Workers Act and all other applicable Acts, Rules and Regulations from time to time. Copies of all necessary compliances shall be submitted monthly and produce the same to the Client, along with the muster roll, Provident Fund Account No., Provident Fund paid Challans along with Form 5 & 10, 12 A. Also copy of Form 6A (Annual Returns) under EPF Act shall be submitted by 7th May of every year. Contractor shall obtain License under the Contract Labour Abolition & Regulation Act, Building & Other Construction Workers Act and the copy of the same shall be displayed at the site. At any point of time during the progress of work if non compliance of rules & regulations is observed, as a Principal Employer/ Client reserves the right to remit such amounts to respective departments upon receipt of notice and debit to your account all such costs after allowing notice time of 15 days.

25. INDEMNITIES

The Contractor shall indemnify the Client, its Affiliates, Officers, Directors, against any Liability claims, Loss, Damages cost from its expenses (including lawyer's fees and costs), without exception arising from, or resulting in a) infringement of Trademarks, Patents, Copyrights and trade names and unfair trade practices; b) use of materials/Goods supplied under this Contract; construction, manufacture, transportation or installation of the Goods or services rendered; c) non-compliance of statutory or legal or regulatory needs and d) any delay in obtaining credit or loss of credit due to non-disclosure or incorrect disclosure of transactions, taxes in the forms / returns uploaded by the supplier would be recovered, including the loss of the credit, interest, etc. to the extent of the damage incurred by us.

26. MEASUREMENT, CERTIFICATION, INVOICING & PAYMENT

- a) Bills shall be submitted by the Contractor at the periodicity mentioned in PCC. The basis of payments will be the actual quantities of work executed by the Contractor, as jointly measured and verified by the Client or its representative / Project in charge on project site and valued at the rates agreed in the priced BOQ as may be applicable. Mode of measurement shall be as defined, in the order of preference, in BOQ, technical specifications, IS 1200 or standard practice.
- b) The Contractor shall submit invoice along with joint measurement duly certified by Client representative. Payment of all the said invoice / bills shall be released by the Client, within the time period mentioned in Particular Conditions, after submission of duly certified invoice by Client's Project In charge.

27. RETENTION

- a) Running bills submitted by Contractor at agreed periodicity shall be paid on joint measurement with Contractor and certification by Client. The Client shall retain the percentage amount as stated in Particular Condition of Contract from each invoice, until completion of the whole Works.
- b) Unless specified otherwise in the Particular Conditions, the retention shall be released to the Contractor after Defects Liability Period is completed, on certification by Engineer that any Defects noticed during Defects Liability Period have been rectified.

28. COMPLETION AND HANDING OVER:

- a) The date of Completion is when the Goods/Works are ready for intended use/operational occupation and when all contractual obligations are completed as per Contract Specifications and it signifies start of Defects Liability Period.
- b) The Client shall signify acceptance of completion by signing a Completion Certificate.
- c) The Contractor shall issue a detailed account of amount receivable, making adjustments for advances, retentions and a Discharge Certificate, signifying final settlement of all dues under Contract. The following documents/details shall be submitted by the Contractor to the Client at the time of Handing over the project i) Required information regarding "As Built Drawings" ii) Test Results and Report iii) Guarantees, O&M Manual, (as applicable)

29. EXTENSION OF TIME FOR COMPLETION

- a) The Client may agree to extend Completion Date, what it considers as reasonable, under its absolute discretion, on application by Contractor, if

- i) The Client has ordered increase in scope of work or there is abnormal variation in quantities leading in substantial increase in cost;
- ii) There is existence of unforeseeable circumstances/conditions, not under reasonable control of Contractor.
- iii) There is/was delay(s) caused due to reasons attributable to Client, other Contractor(s) at site, statutory authorities.

- b) The grant of extension of time by the client shall not entitle the contractor to claim revision in rates or any other cost compensation.

- c) Delay in certification or payment of bills by the Client shall not be a reason for extension of time.

30. FORCE MAJEURE

- a) All risks of loss or damage to physical property and of personnel injury and death which arise during or in consequence of performance of Contract including those due to Contractor's faulty design or workmanship shall be the responsibility of Contractor under all circumstances.
- b) The excepted risks which are common to the Client and Contractor are risks of war, hostilities, invasion, act of foreign enemies, rebellion, revolution, insurrection or military or usurped power, civil war, riot, commotion or disorder (unless restricted to Contractor's employees) and contamination from any nuclear fuel or nuclear waste or radioactive toxic explosive.
- c) In case of excepted risks under (b), either party shall be under no liability for not providing or not accepting Service.

31. LIQUIDATED DAMAGES

Unless specified otherwise in the Particular Conditions, Liquidated Damages shall be recovered by the Client at a rate of 0.5% of the Contract Value per week delay in completion of work beyond the agreed period/date of completion, subject to a maximum of 10% of the Contract Value.

32. DEFECTS LIABILITY

- a) The Contractor shall be responsible for rectifying at his expense all Defects that may arise in the Goods / Services due to faulty design (if design is by Contractor), material or workmanship up to the period after completion and handing over, as stated in particular condition of Contract.
- b) If the Client has specified a performance specification under the Contract, the Contractor shall have deemed to have warranted that the Goods shall attain such performance. Should the Goods fail to meet such performance criteria such failure shall be deemed to be a Defect within the meaning of this Clause.
- c) The Client shall notify the Contractor of any Defect(s) which the Contractor shall attend and rectify promptly to the satisfaction of Client's Project In-charge, within the mutually agreed time period.
- d) The Client may get the Defect rectified through a Third Party, at Contractor's risk and cost if the Contractor has not corrected the Defect within Defects correction period, after a notice of two weeks. The cost of such rectification shall be deducted from Contract Price or adjusted against Retention or performance security or any other amount due to the Contractor in this or any other contract between the Parties, or recovered at Law.
- e) The Defect Liability Period can be extended for the works or a part of it, subject to a maximum of 3 (Three) years, if and to the extent that the Works or a part of it (after handing over on completion) cannot be used for the purposes for which they were intended by reason of a defect or damage (attributable to the Contractor).

33. SUSPENSION OF WORKS

- a) The Client shall, with or without assigning any reason, be entitled to suspend the Works, in whole or part, with immediate effect. The Contractor shall continue to execute the work on the unsuspended portion of works and take all necessary steps to protect the works done in the suspended portion of works. The Contractor shall immediately proceed towards minimizing the losses at site.
- b) The Contractor shall be entitled for suitable extension of time if the reason of suspension is not attributable to him. The Contractor will however not be entitled to any cost compensation for a suspension period of 30 (thirty) consecutive days.
- c) In the event of prolonged suspension (beyond consecutive 30 days), Contractor may, by a notice of 7 days to the Client, request for permission for full demobilization and foreclosure of the Contract. Contractor upon Client's approval, which shall be granted within 7 days of receipt of notice, may fully demobilize and shall be entitled to such compensation as mentioned in Clause 34 below.
- d) If the Client disapprove the Contractor's request (made under sub-clause 'c' above) or wants the Contractor to keep mobilized at site, the Contractor shall continue at site and shall be entitled to following compensation for the period from 46th day (from effective date of suspension) to the date of revocation of suspension by the Client:
 - (i) Idle charges (after due substantiation of the expenses by Contractor, verification and approval by Client) for agreed minimum resources (labour, formwork materials and plants/equipments) maintained at site by the Contractor during suspension.
 - (ii) Actual cost incurred by the Contractor towards protection of the works, which he would not have incurred if there was no suspension of work.

The Contractor shall remobilize and restart the works, without any additional cost to the Client, within 7 days of receiving notice of revocation of suspension from the Client.

ANNEXURE 1- GENERAL CONDITIONS OF WORK ORDER / WORK CONTRACT (GCC)**34. FORECLOSURE**

The Client shall, upon a notice of 7 days on Contractor, with or without assigning any reason, be entitled to foreclose the Contract, in whole or part. The Contractor shall remove all surplus materials, labour, temporary structures including labour camp, plants/equipments etc. from the site within 7 days of the date of foreclosure.

The Contractor shall be entitled to the following compensation in the event of foreclosure:

- (i) The cost of work done till the date of foreclosure, as per the contract
- (ii) Actual cost of materials brought at site with permission of Project-in-charge, which could not be incorporated in the permanent works or cannot be returned back to supplier/vendor, subject to submission of delivery challans, invoices and physical verification of stock after proper stacking/storage as per instruction of Project In Charge.
- (iii) Cost of demobilization of heavy equipments/plants (if any).

The Contractor shall not be entitled to any other compensation, such as for loss of earnings, idle charges etc.. The Client shall release the final bill after adjustment of any outstanding advance and other dues. Client shall be entitled to recover the unadjusted amount (if any) from Bank Guarantees at their disposal or outstanding amount due in other contract between Parties, or at Law.

35. TERMINATION

- I) The Client shall, upon a notice of 15 days on Contractor, be entitled to terminate the Contract, in whole or part, if the Contractor (a) fails to submit performance security, (b) subcontracts the whole of the Works or assigns the Contract without permission (c) fails to start the work without reasonable excuse or is not proceeding diligently to meet delivery time, or such time period has expired (d) abandon the Works (e) is not executing the Works as per Specifications (f) has gone bankrupt/insolvent (g) has engaged in corrupt, fraudulent, collusive or coercive practices, in competing or executing the Contract, (h) fails to rectify defects (i) has refused to carry out any reasonable instruction of the Client.
- II) In case of reasons under (f) or (g) above, Client may terminate the Contract immediately without prior notice.
- III) The Contractor shall stop all works and demobilize his resources on the terminated portion of work and take joint measurement (with Client) of works completed till the date of termination and submit the same to the Client within 15 (Fifteen) days. Client may get the measurement done directly or ex-party, after expiry of 15 days, if the Contractor fails to submit such measurement. The measurement done by Client or ex-party shall be final and binding on the Contractor.
- IV) Upon termination, the Client at its sole discretion, may proceed with either of the options below:
 - a) Allow removal of Contractor's plants/equipments/temporary structures, release the payment for the work done till the date of termination after levy of maximum % age of Liquidated Damages and adjustment of any outstanding advances and other dues. Client shall be entitled to recover the unadjusted amount (if any) from the Bank Guarantees at their disposal or outstanding amount due in other contract(s) between the Parties, or at Law.
 - b) Appoint any other agency(s) to complete the balance work at risk and cost of the Contractor, recover outstanding advances from the Bank Guarantees at Client's disposal or from outstanding amount due in other contract(s) between the Parties, or at Law. Client shall also be entitled to forfeit and sell the plant/equipment /machinery/temporary structures of the Contractor to recover the outstanding dues. Contractor shall not be entitled for any further payment till the completion of all works including remedying defects in Defect Liability Period by the other agency(s). The balance payment to the Contractor shall be released after adjustment of additional cost incurred by the Client in completing the balance work along with levy of Liquidated Damages for the period of delay in completion.

36. MISCELLANEOUS

- a) **ASSIGNMENT & SUBCONTRACTING:** The CONTRACTOR shall not directly or indirectly, assign, sublet or transfer, in whole or in part, any of its obligations, interests or rights arising out of this Work Order without the prior written consent of the CLIENT. The Client shall have the right to assign, nominate and/or transfer its right and interest to any of its affiliates, subsidiaries or group companies without any permission or consent of Contractor.
- b) **NOTICES:** All consents, notices, demands or other communications required to be given or made hereunder shall be in English language, in writing and delivered personally or sent by regular email or by prepaid registered post A/D addressed to the intended recipient thereof at its address as mentioned in the title of this Work Order or to such address as any Party may, from time to time, notify to the other Parties
- c) **OWNERSHIP AND USE OF DOCUMENTS:** All Drawings, Plans, Schedules, Specifications, Study Reports, models, photographs, sketches, drawings, and other instruments of services prepared by the Contractor in the performance of services including all copyrighted, patented and intellectual property set forth therein (collectively deliverables) are and shall remain the sole and exclusive property of the Client whether the project for which they are prepared is executed or not. The deliverables, photograph, designs and documents shall

not be used by the Contractor on other projects nor shall they be published in any manner whatsoever except by prior permission of the client in writing

- d) **CONFIDENTIALITY:** The Contractor agree that during the subsistence of this Contract, the Contractor may come in possession of information confidential to the client and agree to keep such proprietary information as confidential. Confidential information means all information and any idea in whatever form, tangible or intangible, whether disclosed to or learned by Contractor, pertaining in any manner to the business of the Client or Client affiliates, subsidiaries, Contractor or business associates, whether in written, oral, encoded, graphic, magnetic, electronic or in any other tangible or intangible form, and whether or not labeled as confidential by the Client or otherwise provided by the Client.
 - e) **SEVERABILITY:** If any term or provision of this Contract or the application thereof to any person or circumstances shall, to any extent and for any reason, be invalid or unenforceable, the remainder of the Contract, or the application thereof to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby and each term and provision of the Contract shall be valid and be enforced to the fullest extent permitted by law.
 - f) **NO WAIVER:** The failure of either party to insist, in any one or more instances, on the performance of any obligation or right under this Contract shall not be construed as a waiver or relinquishment of such obligation or right with respect to future performance.
 - g) **MODIFICATION:** No modification or amendment to this Contract shall be effective and binding unless and until it is reduced to writing and is executed by the duly authorized representatives of both parties.
 - h) **SURVIVAL:** Rights and obligations accrued prior to expiry or termination of the Contract and all rights and obligations, which by their nature are intended to survive the expiry or termination of the contract, shall survive such expiry or termination.
- 37. CONTRACT – OFFER & ACCEPTANCE**
- a) The Contractor shall accept the offer (Work Order) by appending his signature (with stamp/seal) within 7 days of the order date, failing which the Client may proceed to cancel the order.
 - b) By executing this Work Order the CONTRACTOR declares that it has the Legal Capacity to execute this Work Order and that there is no statutory claims, demands, attachments and prohibitory orders made or issued by taxation authority or government or any other local bodies in any manner affecting the services provided by the Contractor.
 - c) The work order along with enclosures (as listed in Particular Conditions), signed by the Client and upon due acceptance by the Contractor, shall constitute a binding contract between the Client and the Contractor.
 - d) The Contract hereto embody and constitute the entire understanding among the parties with respect to the matters herein contained, and all prior or contemporaneous correspondence, term sheets, agreements, understandings, representatives and statements, oral and written, are merged into this contract. No variation of this Contract shall be effective unless the same is made in writing and signed by the parties.
- 38. DISPUTES AND ADJUDICATION:**
- a) Any dispute or difference that arises (during progress of work or after completion/termination/foreclosure) between the Client and the Contractor in respect of rights, duties or obligations of the parties, under the Contract, that cannot be amicably resolved by mutual discussions at various levels, on expiry of 60 (sixty) days of notification by either Party, may be referred for Arbitration.
 - b) The existence of any claim or dispute will not entitle the Contractor to stop or delay the Work and Contractor shall continue to perform the services/work in accordance with the provisions of the Contract and in accordance with the Client's instructions with all due diligence and dispatch and perform all its obligations under the Contract. The Client will not unreasonably withhold any undisputed money due and payable to the Contractor on account of arbitration proceedings.
 - c) The Arbitration Tribunal shall be constituted and Arbitration conducted in accordance with the procedures laid in "The Arbitration and Conciliation Act 1996" of India with latest amendments and revisions. Either Party shall nominate One Arbitrator each, who in turn shall appoint the third Arbitrator (Umpire). The decision of the Umpire shall be final and binding on the parties. The award shall be a speaking award.
 - d) The Arbitrator(s) may not award legal fees to the prevailing party and each party shall bear their own costs. The venue of Arbitration shall be as stated in Particular Conditions. The Arbitration shall be conducted in English.
 - e) **Excepted Matters:** The decision, opinion, direction, certificate (except for payment) with respect to all or any of the matters under various clauses herein with and any other clause in which decision of the Client is stipulated to be final thereof (which matters are herein referred to as the "excepted matters") shall be final and conclusive and binding on the Parties hereto and shall be without Appeal.
 - f) **JURISDICTION:** All disputes, questions and differences arising out of this Contract shall be subject to the exclusive jurisdiction of the place stated in the Particular Conditions.
